

INNOVIA

FOUNDATION

driving community transformation

Innovia Foundation connects donor generosity to our region's most pressing causes and collaborates with community partners to drive transformation across Eastern Washington and North Idaho.

CONNECTING YOU TO THE MOST IMPORTANT ISSUES IN OUR REGION

Each year, Innovia Foundation invests more than \$6 million into our communities and beyond through grants and scholarships to nonprofit organizations

CIVIC ENGAGEMENT

Every community has unique challenges and opportunities.

With our partners, we identify priorities and create solutions to drive community transformation.

Current initiative partners include Priority Spokane, CDA 2030, and Rural Development Initiatives. Together, we're addressing student homelessness, literacy and rural community development.

COMMUNITY GRANTS

Awarded to nonprofit organizations through a competitive application process, these grants address the changing needs and greatest opportunities throughout our region. We work with nonprofit partners that focus on our impact areas to make our part of the world better.

SCHOLARSHIPS

We award over 100 scholarships each year to help high school and college students achieve their higher education goals.

INVESTING IN THE FUTURE OF THE INLAND NORTHWEST

At Innovia Foundation, we are targeted problem solvers committed to providing innovative solutions for the communities we serve.

As the community foundation for Eastern Washington and North Idaho, we partner with people who want to make our world better. We work together to address and solve our region's problems, help those in need, identify and respond to our greatest opportunities, and leave a lasting impact.

We serve as a catalyst for change, bringing together donors, nonprofits, businesses and community leaders to create replicable and sustainable change. We work to invest in long-term solutions that make our region vibrant and healthy.

Looking ahead and leading the way, we drive transformation in our region because we know this work can't wait.

Since 1974, Innovia Foundation has been a leader in transforming communities throughout the region.
