
THE PROGRAM

Scholarship funds administered by Innovia Foundation provide assistance to students pursuing postsecondary education in full-time undergraduate college and vocational programs. The annual scholarship program competition, evaluation of applications, notification of students, and disbursement of award checks are administered by Scholarship America®, the nation's largest designer and manager of scholarship, tuition assistance and other education support programs for corporations, foundations, associations and individuals.

It is the policy of Innovia Foundation not to discriminate in the awarding of any grant or scholarship on the basis of race, religion, gender, national origin, sexual orientation, age or disability. However, the donors of some of the Foundation's scholarship funds have established specific criteria for the awarding of scholarships.

With the exception of Ren H. Rice scholarship recipients, students must enroll full-time at accredited postsecondary institutions and study toward a degree or certificate.

AWARDS

The number of awards and amount of each scholarship are determined annually by Innovia Foundation based on the funding available and number of applications received in any given year.

Awards are not renewable; however, students may reapply for scholarship funds where specified.

Unless specified, students may attend any accredited nonprofit two- or four-year college, university, or vocational-technical school. Awards are for undergraduate study only. All scholarship awards are limited to use for tuition, fees and books only. They may not be used for room and board.

APPLICATION PROCEDURE

Interested students must complete the application and mail it along with a current, complete transcript of grades to Scholarship America postmarked no later than **March 2**. Applicants must be sure to include financial information and enclose any additional information or materials required for specific scholarship funds as noted on the application form. If the deadline falls on a weekend, it will be extended to the first business day following the posted deadline date.

Applicants are responsible for gathering and submitting all necessary information. Applications are evaluated on the information supplied; therefore, it is important to answer all questions as completely as possible. Incomplete applications will not be evaluated. All information received is considered confidential and is reviewed only by Scholarship America and Innovia Foundation.

SELECTION OF RECIPIENTS

Scholarship recipients are selected on the basis of academic record, demonstrated leadership and participation in school and community activities, honors, work experience, statement of goals and aspirations, unusual personal or family circumstances, and an outside appraisal. Specific selection criteria and consideration for financial need are described in the guidelines for each fund.

Selection of recipients is made by Scholarship America and Innovia Foundation. Applicants will be notified in May. All applicants agree to accept the decision as final. Not all applicants to the program will be selected as recipients.

PAYMENT OF SCHOLARSHIPS

On behalf of Innovia Foundation and the scholarship donors, Scholarship America will process scholarship awards in one installment in early August.

OBLIGATIONS

Recipients have no obligation to Innovia Foundation or to the scholarship donors. They are, however, required to notify Scholarship America of any changes in address, school enrollment, or other relevant information and to send a complete transcript when requested. If a student interrupts or terminates attendance at school, any unused portion of the award must be returned to Scholarship America.

Except as described in these guidelines, no obligation is assumed by Innovia Foundation.

REVISIONS

Innovia Foundation reserves the right to review the conditions and procedures of the administration of these scholarship funds and to make changes at any time including termination of the program.
