INNOVIA
FOUNDATION

MISSION:

To ignite generosity that transforms lives and communities.

VISION:

Vibrant and sustainable communities where every person has the opportunity to thrive.

Innovia Foundation's strategic framework focuses on a vision for the future of our region.

OUR THREE STRATEGIC FOCUS AREAS ARE:

**IGNITING
GENEROSITY**

**BUILDING VIBRANT AND
SUSTAINABLE COMMUNITIES**

**ENSURING EVERY
PERSON THRIVES**

IGNITE GENEROSITY

*Impact the Causes
You Care About*

We believe that generosity is the most powerful source of positive change to achieve our shared goals and values. As your community foundation, we increase opportunities for all people to give of their time, talent and resources to make our part of the world better. We partner with generous individuals, families, businesses and organizations to create vibrant and sustainable communities where every person has the opportunity to thrive.

WE WILL:

Inspire a culture of generosity

From simple acts of kindness, to large transformational gifts, generosity inspires people to improve their communities and change lives. Everyone has something to give, and no one person can do this work alone. We will deliver clear, frequent and inclusive messaging that celebrates generosity and highlights our role in driving community transformation.

Develop deeper relationships with donors

Lasting relationships are built through shared purpose and earned trust. We honor the legacy of our donors by understanding their goals and values and working together to achieve visible results. We seek to know our donors and serve them with a dedication to operational excellence and personalized philanthropy.

Pursue innovative ways to increase assets across our region

We will offer innovative products and giving solutions to catalyze greater impact and inspire donors to take a more active approach to philanthropy. By developing local, regional and national partnerships, we will leverage strategic opportunities to address the complex needs of our communities.

Five percent for your community

Innovia Foundation conducted a transfer of wealth study with Locus Impact Investing and found that nearly \$42 billion will change hands from one generation to the next in Eastern Washington and North Idaho in the next decade. If just 5% was designated for our local communities, **over \$2 billion** would be retained for the benefit of our region.

*Imagine if we joined together
and pledged to leave something
to our community. Even something
small, like 5%, would have a
transformational impact.*

VIBRANT AND SUSTAINABLE COMMUNITIES

Make Our Part of the World Better

We believe strong, vibrant communities are able to confront challenges, nurture the good and create positive change. Such communities require committed leadership and engagement among community members from diverse backgrounds and experiences. As your community foundation, we invest in and support inclusive, community-driven efforts that make our part of the world better.

WE WILL:

Engage thoughtfully with communities in our region

Building and strengthening relationships throughout our 20-county region will make our work more reflective of and relevant to the priorities of our communities. We will commit to being present and engaged, learning about community needs and supporting community momentum.

Strengthen community leadership

Strong communities are inclusive, built on diverse backgrounds, perspectives and participation. We will invest in emerging leaders and trusted voices to identify community priorities and advance transformational efforts.

Invest in community organizations and initiatives

Guided by local priorities and engaged residents, we will invest in programs and initiatives that strengthen the social fabric of the community. We will work to improve access to education, promote health and wellbeing, support arts and culture, create economic opportunity and enhance quality of life.

Imagine if leadership in local communities was inclusive of diverse voices, backgrounds, perspectives and participation.

Making leadership local

Through local Leadership Councils and regional grantmaking committees, we are committed to engaging thoughtfully with communities in our region. Our volunteers reflect the diversity of our region and work in partnership with Innovia Foundation to guide decision making, strengthen local communities, convene leaders, advise grants and leverage additional resources.

EVERY PERSON THRIVES

*Creating
Opportunity
for All*

We believe individuals thrive in community. Genuine connection and authentic relationships drive lasting and sustainable impact. Each of us matters and if opportunities are not available to everyone, a community cannot move forward together. As your community foundation, we are committed to bringing people together, elevating diverse voices and creating opportunity for all.

WE WILL:

Respond compassionately to meet basic human needs

Meeting basic human needs is fundamental to improving the quality of life for everyone. The community foundation will collaborate with community partners to address both systemic issues and immediate needs.

Bring people together to build inclusive communities

We believe in bringing people together and building connections that enrich us all. We seek to develop places and spaces where everyone feels they belong and can participate in decisions that affect their lives.

Expand opportunity and reduce inequity

We recognize that persistent and systemic disparities diminish opportunities. We will work to bridge the divide that isolates and prevents members of our community from recognizing and reaching their full potential.

Closing the opportunity gap

The youth in our community deserve every opportunity to reach their full potential. Through community-based initiatives, our goal is to ensure that all kids in Eastern Washington and North Idaho have the opportunity to thrive—from cradle to career.

*Imagine if an entire community
came together to ensure that every
child has the opportunity to thrive.*
