INVEST IN US

When you make a contribution to the Partnership Fund or Community Leadership Fund at Innovia Foundation, your gift supports our work transforming lives and creating vibrant and sustainable communities where every person has the opportunity to thrive.

GIVE TO AN IMPACT AREA

Innovia Foundation has identified several impact areas that address specific challenges in our region. Our expertise and networks allow us to connect you to a cause you care about and combine your investment with the strength of others.

ESTABLISH YOUR OWN FUND

When our donors are passionate about a cause, we help them find ways to make a lasting difference. If you have a specific vision for your donation, we will help you make it a reality.

EMPOWERING DONOR GENEROSITY

Innovia Foundation works with individuals, families, attorneys, estate and financial planners to design gift plans tailored to meet diverse economic situations. We help donors maximize the benefits they receive from their contributions, as well as the impact of their philanthropic dollars.

In addition to welcomed gifts of cash, which include checks and online gifts using a credit or debit card, we encourage donors to consider making gifts of the following assets.

IRA & Qualified Retirement Plans

For many people, this is the largest asset they will possess at the time of their death. It is also the most heavily taxed asset, if it is transferred to a person other than a spouse or charitable organization. Donors can avoid the heavy tax burden of these plans by using all or part of these assets to make charitable contributions. The process is as simple as contacting the company holding the IRA and changing the beneficiary designation to Innovia Foundation to be added to one or more named funds.

Real Estate

Making a charitable gift of highly appreciated real estate can help turn property gains into community good. Gifts of real estate range from personal residences and vacation homes to rental properties, farmland and commercially developed land. With the help of the community foundation, donors can give real estate to avoid estate taxes, minimize or eliminate burdens placed on their heirs and make a big charitable difference for the causes they care about.

Life Insurance

Donors can name Innovia Foundation as the beneficiary in their life insurance policy.

Charitable Remainder Trust

Donors can establish a charitable trust to provide income for themselves or a loved one during their lifetime and support the community forever. With a charitable trust, donors make gifts directly to a trust, receive an immediate tax deduction and generate income for life or for a term of years. They can also establish a charitable trust through their will to benefit heirs for their lifetimes and ensure all remaining funds support their charitable legacy.
