Department/Division:	Core-Team/Finance	Direct Reports:	None
Status:	Full-time, Non-Exempt	Date:	January 2024

Mission:

Innovia Foundation drives community transformation. We are a community foundation that connects donor generosity to our region's most pressing causes. We collaborate with partners to drive transformation across Eastern Washington and North Idaho.

Office Culture Statement:

At Innovia Foundation, we invest in our staff and create an empowering and innovative work environment.

We are passionate about serving our communities.

We trust and treat each other with honesty and respect.

We support, inspire and encourage each other.

We are accountable to ourselves and each other.

We respect our colleagues by being present and having direct and open communication.

We are intentional in our interactions.

We have a deep commitment to equity internally and throughout our region.

We celebrate our successes.

History:

Our Roots: In 1974, as Spokane was preparing to host the World's Fair, a group of concerned citizens saw a need for a foundation that could continue revitalizing the communities of the Inland Northwest. That year, the Junior League of Spokane founded the Greater Spokane Community Foundation, a new entity that replaced the original Spokane Foundation, which had been established in 1915 with a single trust.

Our Reach: In the 1970s and 1980s, the Foundation's understanding of "community" grew, and we began to reach beyond the Spokane area. Recognizing that people with common interests and concerns know best how to meet local needs, the Foundation's territory expanded to include 10 counties in Eastern Washington and 10 counties in North Idaho. The name was changed to Foundation Northwest to reflect the expanded region. In 2006, the Foundation conducted 500 interviews with community members and developed a comprehensive strategic plan. This launched another period of major growth. Our name was rebranded to Inland Northwest Community Foundation.

Our Rebrand: In 2018, the Foundation underwent a rebranding effort. The rebrand to Innovia Foundation was a strategic decision to bring greater awareness and engagement around important issues in the region—and the important work the Foundation is already doing. The new name and brand were the result of a thorough and thoughtful process involving not only the Foundation’s staff and board, but also community partners and other key stakeholders.

Our Strategic Framework: In 2019, Innovia formally adopted a strategic framework focused on a vision for the future of our region. Our three strategic focus areas were identified as: 1) igniting generosity; 2) building vibrant and sustainable communities; and 3) ensuring every person thrives.
